"We are the hub of the business community, promoting commerce and tourism making La Pine a vibrant community to work, live and play!"

La Pine Chamber's Economic Development, Governmental Affairs and Tourism Committee Looking at Community Vitality

By T. Myers

For years, there has been a standing committee that has worked as a liaison for Chamber members, promoting what their title tells you they do. But now, since the idea of Urban Renewal, Main Street USA and La Pine City Clean-up is becoming part of the future of the City, this little committee is getting very serious about making a difference in the future of La Pine!

The committee met with Chamber and Community members discussing a few of the goals they have in mind: A better curb appeal for the City, inviting businesses here to be a part of the community, and making this 'the place for affordable adventures for tourists' and they also discussed the upcoming Governor's Tourism Conference in April at Sunriver.

"The committee is off to a great start." Chamber Executive Director Ann Gawith said. "We have people with enthusiasm and ideas and others with a good sense of the steps that will need to be taken to reach our goals."

The goal is simple: bring customers to La Pine!
