"We are the hub of the business community, promoting commerce and tourism making La Pine a vibrant community to work, live and play!"

The Chamber Connection: Upcoming dates to save for Chamber Activities! You are invited!

By T. Myers

Reserve the date! On March 17th from 2-6 PM there will be a St. Patrick's Day Grand Opening of the new Chamber Office and Visitor's Center. A bit of the green and lots of fun, food and frivolity for guests to help celebrate St. Paddy's Day and a wonderful new space for growing our town's tourism!

We would like to invite you and your friends to come by and take a look at our new big space, our racks of Oregon Information, a special La Pine section, out of state info and room to sit and enjoy the center while you read through your pamphlets. We are open every day Monday-Friday. Come and see us soon!

Teresa Lefor is a new member that has returned to La Pine and is starting up her T'n'T Carpet Cleaning Service. She and her silent partner and friend do carpet cleaning and special private homes. Hola Restaurant in Sunriver opened February 28th and they have just joined the La Pine Chamber. We look forward to them offering our members special meal time savings, and they are starting out their sales by offering all of their profits for their opening day to Three Rivers School to help the students with a fundraiser. Way to go members! You support the community in a big way! Midstate has set the date for the annual shareholders meeting and barbeque luncheon at the middle school on May 10th. Dave Schneider and the Midstate Board of Directors have good news for the community and they invite you to save the date for their big event the second Saturday of May.

Spring break is right around the corner and we usually have an influx of wonderful tourists who come over for winter sports and if we are lucky, a few sunny days where we can enjoy the outdoors and dream of summer. Sprucing up our store entrances, sidewalks, curbside areas and our customer service areas inside will help make the impression that we are happy to have people shop in La Pine.

While we are on the save the date list, save June 7th for the City Clean-up Project and a week later, June 14th for the Annual Rhubarb Festival!
