

# A Family adventure

Enjoy a quiet, reflective time alone or, take the family for an easily navigable trip on the Little Deschutes River. Anchor the boats for a swim or floating picnic, or just to stretch your legs. You may see blue herons, osprey, crawfish, and frogs, on this trip that seems to be miles from civilization. You may very well be the only ones you see on the river.

Before you start, try out the rope swing at Leona Park!
