Waterfalls, Lake, and Hot Springs

Pack a lunch and head out for some beautiful and varied views on this mostly-flat, 7 1/2 mile hike. It’s a great walk to enjoy in solitude or with friends and family. Start on the Paulina Lakeshore Trail and walk clockwise. Cross the dirt road and take the spur to Paulina Falls. To continue around the lake, return to the road, cross the wooden bridge, and follow the sign on the left. Watch for the sign pointing you down the spur to the hot springs, about half way around the lake. Watch for deer, eagles, osprey, frogs, and loads of fish. Parking is $5.00 or use the National Park pass. Dogs allowed on leash.
